List of Tables	i-ii
Abbreviation	iii-iv
Chapter-I: Introduction	1-15
1.1 Introduction	1
1.2 Statement of the problem	2
1.3 Conceptual framework	4
1.4 Objectives of the study	7
1.5 Research questions	7
1.6 Methodology	8
1.6.1 Data sources	8
1.6.2 Justification of selecting the sample area	9
1.6.3 Sampling design	9
1.6.4 Analytical Methods	10
1.6.4. Justification of the study	12
1.7 Limitation of the study	13
1.8 Chapter plan	14
Chapter-II: Review of Literature	16-33
2.1 The global perspective	17
2.2 Theories of ageing	18
2.3 Research issues in population ageing	20
2.4 Measurement of population ageing	30
2.5 Economics of population ageing	31

Chapter-III: Elderly Population of Assam **34-49**

3.1	Browth of Population of Assam from 1901-2011	34
3.2	Elderly population of assam- a trend analysis	36
3.3	Ageing in different population categories in Assam	38
3.4	Annual average growth rate of elderly population of Assam	40
3.5	Age composition of Elderly people of Assam	40
3.6	Number of female elderly population in Assam	41
3.7	Marital status of elderly persons	42
3.8	Measuring population: ageing and dependency ratio's in Assam	43
3.8.1	Age pyramid for assam' 2011	45

Chapter-IV: Socio-economic conditions of elderly persons in Assam **50-82**

4.1	Profile of the study Region	50
4.1.1	District profile	50
4.1.2	Profile of the surveyed villages	52
4.1.3	Profile of the urban area	52
4.2	Demographic and socio-economic profile of the Elderly Respondents & their Living Conditions:	55
4.2.1	Gender wise Age Distribution of Elderly respondents	56
4.2.2	Socio Economic Profile of the Elderly Respondents	57
4.3	Living conditions of the Elderly Respondents	59
4.4	Living arrangement of the Elderly respondents	63
4.4.1	The size of the Elderly household	63
4.4.2	Composition of Elderly Households	65
4.4.3	Head ship of the Household	68

4.5 work participation of Elderly Respondents	70
4.6 Household Income & work Participation	72
4.7 Sources of subsistence of Elderly Persons	72
Chapter-v: Health status of the elderly persons	75-82
5.1 Feeling about health	75
5.2 Disease profile of the elderly persons	76
5.3 Morbidity rate and Hospitalization rate, among the elderly respondents	77
5.4 Disabilities among the Elderly persons in Assam	79
5.5 Factors affecting health status of elderly respondents	80
Chapter-VI: An overview of the major programmes and policies adopted by the government of India for elderly	83-93
6.1 National social assistance programme (NSAP), 1995	83
6.2 National policies of Older Persons, 1999	86
6.3 The maintenance and welfare of parents and senior citizens act, 2007	88
6.4 National policies of senior citizens, 2011	88
6.5 Status of receiving financial assistance by the beneficiaries under nsap in the study area	91
6.6 Old age Home and Elderly Care	92
Chapter-VII: Summary, Conclusion and Suggestions	71-103
7.1 Summary and findings	94
7.2 Conclusion and suggestions	101
7.3 Scope of future research	103
Bibliography	104-121
Appendix	122-124
Annexure	125-155
